

## *The Chapel Hill Garden Club*

### DECEMBER HAPPENINGS

#### Holiday Tea Notes

##### Parking

The invitation to the Holiday Tea has been sent to all members along with directions to Karen Lazarus's home. Mount Bolus Road is narrow and we are asking everyone to follow these simple directions. As you follow the road to the end, there is a cul-de-sac at the entrance to the Lazarus driveway. Please turn around and park on the right side of the street only. We don't want to block the road on both sides.

We have several members who use a cane for walking. We have arranged for these four members to be picked up at home, taken to the front door of Karen's home and returned to their home after the tea ends. If anyone else has a mobility problem, please let me know and we will make arrangements for assistance.

The members making floral arrangements have been notified of the times they can bring their arrangements to the house.

##### Refreshments

The Hospitality Holiday Tea Committee are the caterers for the event. Our budget will cover the cost. Members do not have to bring any food to the tea. A tea service is planned and four members have been asked to preside over this activity for specified periods.

##### Tribute to Dr. White

The tea is planned for 2:00 p.m. to 4:00 p.m. and we have asked Dr. White to arrive between 2:30 and 3:00 p.m. Jan Dean is going to provide the tribute to Dr. White and present him with his gift at this time.

Some members have told us they won't be able to come and would like to write a letter expressing their thanks for his support to us over the years.

Please mail these notes to this address:

Dr. Peter S. White  
UNC Department of Biology  
Coker Hall  
CB # 3280  
120 South Road  
Chapel Hill, N. C. 27599.3280

### NCBG Membership

There is an active campaign on going to increase the membership at the garden. We are very fortunate to have the level of support we have experienced for over 28 years. In several of Dr. White's recent speeches, he has specifically mentioned the CHGC and our contributions to the garden. We have members who are currently serving as volunteers, others who are members in various categories and one member, Jan Dean who is on the NCBG Board.

I would like for every member of our club to consider joining. If you are currently a member in any capacity, please let me know so we can give a member count only, during the tribute. There are three ways to join:

1. Visit the secure website – <http://ncbg.unc.edu/become-a-member/>
2. Fill out a membership envelope, include payment and hand it to a Reception or Garden Shop volunteer.
3. Take home a membership envelope, fill it out and mail it in with payment.

You will receive a quarterly newsletter and monthly newsletter, invitations to special events, free wildflower seeds every spring and various discounts on classes, plants, and gifts.
