

# Susan Bailey

**Susan Bailey** is a freelance photographer and teacher, and she was coordinator of the Triangle chapter of the Carolinas' Nature Photographers Association for eight years. She has won many awards and exhibited around the Triangle.

Many of her classes are at the JC Raulston Arboretum in Raleigh on a variety of subjects using the gardens for practice. She holds the Photographic Society of America Certification for judging and is a frequent judge in this area and around the Carolinas.

Susan organizes field trips for the Carolinas' Nature Photographers Association and has been active with other local photography groups. Her photography passion started in 1968 and she has had a variety of experiences including portrait, clown conventions, aerial photography and more!
