

**Native Seed Propagation**  
**Tuesday, February 21, 2023**  
**11:30 a.m. - 1:00 p.m.**  
**Heather Summer, Native Seed Program Coordinator**

**Location: Joslin Classroom, NCBG (North Carolina Botanical Garden)**  
**Registration required.**

Heather Summer will be giving you the low down on all things SEED. Collection methods, post-collection handling, seed storage, seed sowing techniques, cultural requirements of seedlings, and dormancy requirements will be covered.
